

# Container & Offshore service a/s

20' Offshore Basket is available for purchase or rental on a daily or monthly basis - incl. certified sling.

For further information or requests please do not hesitate to contact us on mobile +45 2323 4768.

The company deals with sales, rental, construction and restoration of all types of ship and offshore containers.

Furthermore we offer a series of services e.g. load tests and certification of equipment for offshore use.

We are certified by the Danish Maritime Authority (Søfartsstyrelsen).
